

Line drawing Ceramica Solo Medium

Warning:

Every Boretti Ceramica is handmade and unique. Therefore the exact dimensions of every single product can differ. Exact dimensions of your product can differ from above dimensions. Please carefully measure your Ceramica Solo and optionally consult an expert before building in your Ceramica Solo into your outdoor kitchen.

Please also keep in mind that the product will expand and shrink due to temperature changes; keep sufficient space to accommodate these changes. Users of the information in this manual cannot derive any rights or claim the **exact** correctness and completeness of the outlined dimensions.

This optional metal stand is included with your Ceramica Solo, Boretti recommends to use it to create distance to your outdoor kitchen and protect your outdoor kitchen from heat.
